Why Timely Reports Are Important?

1. Your referrers are source of all your business.
2. Reimbursements are going down.
3. Keeping your referrers happy is the only positive thing you can do to increase your revenue.

What Do Referrers Value Most?

STATISTICS - “More than half of the primary care physicians refer to improper communication as the reason for stopping to send patients to a specialist.”

Sounds Good, But Does This Work?

Here Is What Our Clients Say...

*“I couldn’t think of a day in **last 6 months** when reports were not in time. I come in the morning and all reports are typed. I review your daily log spreadsheet, which has description of all reports and I am done.”*

Kathy Kazmierczak, Transcription Manager, Erie County Medical Ctr, Buffalo, NY

Clients' Comments (Contd.)...

“Your turnaround of reports has been great all along. What amazes me is your ability to type and turnover reports in time, even during weekends, Thanksgiving, Christmas Eve and other holidays. Your timely reports had been a great help in keeping our referrers happy.”

Rick Laluna, Administrator, MRI Associates of Queens, Forest Hills, NY

Clients' Comments (Contd.)...

“I would like to commend you and your staff for saving us enormous expense in digital dictation system. Our dictation system was old and you installed a brand new Digital Dictation System in our server room without charging us anything. It saved us the more than \$200,000.”

James Staiger, Forest Hills Medical Center, Forest Hills, NY
